Next Steps

Carry on learning

The Health, safety and environment test is an important step in the process towards competency in health and safety, but it is not the end of the process, you should continue to strive to keep your knowledge up-to-date through relevant courses and qualifications.

Apply for a card

Once you have passed your test, you should, if you have not done so already, consider applying to join the relevant card scheme. However, please be aware that you may need to complete further training, assessment and/or testing to meet their specific entry requirements. After passing the test please allow 24 hours before applying for a card.

To find out more about many of the recognized card schemes you can:
