Dear Harry

SEG Awards ABC Level 3 Certificate in Welding and Fabrication Practice

Following your recent request and the receipt of payment, please find enclosed your replacement certificate.

Please note that on the 1 September 2018 ABC Awards changed its legal name to Skills and Education Group Awards. In addition Skills and Education Group Awards took full responsibility for Certa Awards Ofqual regulated qualifications.

As such whilst you may have been awarded by ABC Awards or Certa previously the qualification title was updated on the 1 September 2018 and as such we are required to only issue replacement certificates against the current qualification title.

The enclosed certificate is in line with our new branding and the only change to the qualification title is the addition of 'SEG Awards' in the name.

Yours sincerely

Teresa Allen
Development & Delivery Support Officer
